Blade Magazine 2007 Most Innovative American Design®

- *R.A.M.*, from Kershaw Knives
- **Pattern:** Utility folder
- **Blade Steel:** Sandvik 13C26 stainless
- **Handle:** Anodized aluminum w/G-10 overlays
- **Special Features:** A choice of ambidextrous-flipper or thumb-stud blade-opening features; the flipper system incorporates resistance to hold the blade closed until it is deployed by pulling on the extended tang ("R.A.M" stands for Restraint Articulated Mechanism); a patent-pending Hawk Lock safety is designed to ensure secure and easy operation
- **Closed Length:** 4 3/8"
- **MSRP:** \$89.95
